

ANA CARPENA LUUKKONEN
ANA K design Sàrl founder
HES Interior designer – MPQ

February 15th, 1981 | finnish and spanish

After obtaining his interior design diploma from HES in 2006, Ana Carpena Luukkonen integrates several renowned offices of the region in order to take her first steps in the profession. Recognized today as a «particularly versatile» interior designer, she is the director of her own office ANA K design Sàrl.

*« No matter the size or type of project, the attention to detail and mastery of execution will always be the same. »
Her experience spans from new construction to the transformation and creation of custom furniture. A sensitivity for colors, materials and lighting are her strengths, coupled with technical, organizational and communication skills to meet all of a client's needs.*
